## W8

February 26-  
March 3

- Midterm Exam: Chapters 1 through 7
  - **Total Possible Points:** 100
- Show Your Creativity: Create your own thought-out Web site using the skills you have learned throughout this course. Those who choose this option DO NOT have to take either the mid-term or final exams. Your final project will be due no later than April 24th and will be graded based on the rubrics found in the class platform.
  - **Total Possible Points:** 200 (Awarded at the end of the semester)

**Due:** Midterm Exam

**Notes:** This exam covers chapters 1 through 7 and includes 50 questions that are a variety of multiple choice, fill-in, and true or false. It is timed, giving you 1 hour and 30 minutes to complete. The exam will be available from midnight on March 1st until midnight on March 3rd. Once started, you cannot stop. Please give yourself ample time to complete the exam. Starting the exam at 11:00 pm on March 3rd will not give you enough time to complete it.

**Topics:** Chapter 7 - More CSS Basics

**Due:** Assignment 8

## W9
