To Whom It May Concern:

I am writing this letter of recommendation for Amy Hissom, who is one of my current students. During our student/teacher relationship, Amy has shown to be a responsible, dedicated, individual. She excels on her assignments and always goes that extra mile. Amy has the ability to work independently and shows creativity in her assignments. Her assignments are always professionally done. She is an extremely motivated individual and performs well under pressure.

I highly recommend Amy for admission into the Kent State University graduate study. If you should wish to speak to me, I can be reached at 724-643-9863.

Sincerely,

A handwritten signature in cursive script that reads "Nettie M. Chaffee". The signature is written in black ink and is positioned above the typed name.
